Mr. President, the country I “come from,” & the country we all swear to, is the United States.

But given how you’ve destroyed our border with inhumane camps, all at a benefit to you & the corps who profit off them, you are absolutely right about the corruption laid at your feet.

So interesting to see “Progressive” Democrat Congresswomen, who originally came from countries whose governments are a complete and total catastrophe, the worst, most corrupt and inept anywhere in the world (if they even have a functioning government at all), now loudly.....

I've seen quite a lot of protests, especially outside the White House. I don't think I've seen this much dancing, though. Protesters want two things: Puerto Rico's Gov. @ricardorossello to resign & the Trump administration to encourage it to happen ASAP. @USATODAY – at The White House

My lord the commentary on tv about today's hearing is a sad measure of our politics. Almost nothing about the content of the report or testimony - 98% on whether Mueller "looks old" or who's strategy is better. The issue is crimes committed by the President, not hairstyles!
