Education isn't an individual privilege, it's a right for all.
Public systems serve all, private vouchers serve few.

Betsy DeVos ✓ @BetsyDeVosED

This isn't about school "systems." This is about ind. students & families. Schools are at the service of students, not the other way around.

Tariffs are the greatest! Either a country which has treated the United States unfairly on Trade negotiates a fair deal, or it gets hit with Tariffs. It's as simple as that - and everybody's talking! Remember, we are the "piggy bank" that's being robbed. All will be Great!

The lesson of [#CrazyRichAsians](#) isn't that Asians are cool (though we are) or that "it's finally time" for diverse movies. The lesson is it's BEEN TIME for years—Hollywood literally has chosen to lose money in the face of this reality to protect its white male-dominant order.
