Education isn't an individual privilege, it's a right for all. Public systems serve all, private vouchers serve few.

Tariffs are the greatest! Either a country which has treated the United States unfairly on Trade negotiates a fair deal, or it gets hit with Tariffs. It’s as simple as that - and everybody’s talking! Remember, we are the “piggy bank” that’s being robbed. All will be Great!

The lesson of #CrazyRichAsians isn’t that Asians are cool (though we are) or that “it’s finally time” for diverse movies. The lesson is it’s BEEN TIME for years—Hollywood literally has chosen to lose money in the face of this reality to protect its white male-dominant order.

Happy 4th of July! Peace, justice, and equality for all, and that includes the children who have been separated from their parents. In the name of freedom, we must ensure we reconnect the children and parents who've been apart from one another for far too long.
