

Transcript: Sustainable supply chains to build forward better

00:00 Global supply chains contribute to economic growth

00:05 job creation

00:10 poverty reduction

00:13 and entrepreneurship

00:17 They have redefined international trade and development

00:21 and provide opportunities for business, regardless of size and location.

00:24 However the COVID-19 pandemic has hit global supply chains hard with many sectors navigating uncertain future

00:29 With the ILO Centenary Declaration for the Future of Work as a roadmap and guided by ILO's Global Call to Action for a Human-Centered recovery,

00:36 a joint European Commission-ILO initiative will address decent work challenges and opportunities in five supply chains

00:42 coffee in Colombia

00:46 rubber gloves in Malaysia

00:50 electronics in Viet Nam

00:54 garments in Madagascar and

00:58 fisheries in Namibia

01:02 It will work with governments, employers and workers organizations as well as enterprises

01:07 to support social and economic recovery from the COVID-19 crisis

01:11 to foster inclusive, sustainable and resilient supply chains

01:15 and help shape a future that leaves no one behind
